## WOUND CLINIC DIRECTORY 50% Off Sale!!!

The AAWC's Wound Care Clinic Directory is available on hard copy and CD ROM and is published to help those in need of wound care and management locate sites across the country where healthcare professionals are specifically involved in wound care. It also provides a networking guide for professionals to share wound care clinical expertise. At this time, 700 clinics/centers are included from across the country, as well as others in Argentina, Brazil, Canada, Costa Rica and Mexico. It is a valuable resource to everyone involved in wound care.

Add your clinic's **FREE listing** to the 2006 directory (before September 15, 2005) at [www.aawc.org](http://www.aawc.org)! The 2006 edition will be available by January 2006.
